

CONSTRUCTION WASTE MANAGEMENT (CWM) COMPLIANCE FORM

State law regulates the diversion of solid waste from landfills from Construction and demolition activities. Compliance is required per California Green Building Standards Code and the City of Modesto Municipal Code. 65% of waste from construction and demolition sites is required to be reclaimed. After completion of the project, submit this form along with dumping tags to:

Solid Waste Division
 PO Box 642
 Modesto, CA 95353

Project Name:		Permit Number:	
Waste Hauling Company		Date:	

Waste Type	Amount Diverted (A)	Amount Disposed (B)	Compliance Rate (=A/B)
